## Tips from AUGUSTA RANCH SECURITY

- If you know your dog barks a lot while outside, purchase a bark collar to limit your pets barking. Remember to show the same consideration to others that you would like shown to you.
- **IF YOU SEE SOMETHING, SAY SOMETHING!** SECURITY is here to serve you. Call or speak to security in person if you have a concern.
- REMEMBER to make sure your garage doors are closed at night. Even if you're not concerned about anything getting stolen from your garage, **that garage door is a barrier to the door that leads INSIDE of your home..**
- Happy Holidays!
